Guidelines for Expenditures Pursuant to House Bill No. 3209:

The purposes of this Act are to conduct a campaign of market development through research, education, and promotion for lamb and lamb products, wool and wool products. The focus of this program is not activities relating to the production or marketing of lamb. The intent is to increase demand for lamb and wool for the benefit of the sheep industry and thus producers. Each development project budgeted and approved must include stated objectives and anticipated results. The Council will determine if the objectives and anticipated results are important to the sheep industry and warrant funding.
